

Our mission: To provide assistance to children of all backgrounds, with an emphasis on those in need or in disadvantaged circumstances; to inspire and empower children of the Manteca/Lathrop area; to help them understand and realize their full potential as productive, responsible, and caring citizen, making a positive contribution to society.

How We Help:

The primary way we have of helping children currently is through our scholarship program. Over the years we have worked aggressively to grow this exciting program. In fact each year, we have more qualified applications than money for these important scholarships.

How You Can Help:

This year we will be giving away twenty \$1,000 scholarships. Would you kindly help by sponsoring a high school senior?

How:

Mail your check made out to **Children's Manteca Foundation** to:

Manteca Children's Foundation
PO Box 807
Manteca, CA 95336
